<p>Machine Photo</p>	
<p>Description</p>	<p>AccuBind Adroit 401 is a versatile Binding machine. The uniqueness lies in the multiple uses yet simple operations that are involved. AccuBind Adroit 401 executes three basic processes involved in Binding: Window Cutting /Creasing, V-Shape Hole Punching &amp; Stapling. All these processes are programmed in a way, which the operator just feeds the prints manually. The V-Shape Photo Book is made with Window Cutting or creasing also. Apart from this, one of the exceptional features consists of performing multiple operations on a single sheet in a single run. This helps in creating Fold Covers, Panel Card Fold Covers and Table Standees which can be used as Calendars, Menu Cards etc.</p>
